

Career Focus in Agriculture

The Career Focus Program aims to create employment opportunities for recent graduates in agriculture, agri-food, agri-food science and veterinary medicine. By providing employers with funding towards hiring an intern in the agriculture and agri-food field, the next generation of workers gain meaningful work experience that can be used to pursue long-term employment related to their field of study.

Eligible interns must:

- Be a Canadian citizen or landed immigrant
- Be 30 years old or younger
- Have studied biology, agriculture, veterinary sciences or applied technology
- Have graduated from a university, college, CEGEP or provincial institution within the last three years

Eligible employers:

- Organizations offering internships that provide agriculture career-related work experiences in Canada
- Industry, not-for-profit organizations, provincial and municipal governments, associations, boards, councils and universities
